737.895.2303

WHAT IS KRATOM?

KRATOM (MITRACYNIA SPECIOSA) IS A COUSIN OF THE COFFEE PLANT. INDIGENOUS TO SOUTHEAST ASIA. THE VAST MAJORITY OF KRATOM, IN THE USA, COMES FROM INDONESIA. TRADITIONALLY, FRESH KRATOM LEAVES HAVE BEEN CHEWED OR BREWED AS TEA. MORE RECENTLY, THEY HAVE BEEN DRIED, THEN CRUSHED INTO POWDER AND OFTEN ENCAPSULATED. PRODUCTS CONTAINING KRATOM ALKALOIDS ARE BECOMING INCREASINGLY POPULAR AS WELL. THESE PRODUCTS MAY VARY SIGNIFICANTLY FROM THE NATURAL PLANT.

WHO USES KRATOM AND WHY? A GROWING NUMBER OF PEOPLE, RECENTLY ESTIMATED AT 15 MILLION AMERICANS, CONSUME KRATOM REGULARLY. MANY FITNESS ENTHUSIASTS AND WELLNESS PROFESSIONALS BELIEVE KRATOM TO OFFER A WIDE ARRAY OF BENEFITS, FROM INCREASED ENERGY AND FOCUS, TO RELAXATION AND RELIEF FROM DISCOMFORT. SOME HAVE CLAIMED THAT KRATOM HAS BEEN BENEFICIAL AS THEY STRIVE TO DISTANCE THEMSELVES FROM CONSUMPTION OF HARMFUL SUBSTANCES. PLEASE NOTE: KRATOM IS NOT CURRENTLY FDA APPROVED.

APPROXIMATELY 50MC OF MITRACYNINE IS GENERALLY AGREED TO BE A STANDARD SERVING OF KRATOM: THIS IS THE EQUIVALENT OF 3-4 GRAMS OF NATURAL KRATOM. MANY EXTRACT PRODUCTS CONTAIN SIGNIFICANTLY HIGHER LEVELS OF MITRACYNINE AND OTHER ALKALOIDS, AND LEVELS MAY VARY SIGNIFICANTLY BETWEEN PRODUCTS. PLEASE READ THE LABEL. ALKALOID CONTENT IS LISTED ON THE PACKAGE OF ALL AKA GMP QUALIFIED PRODUCTS.

7OH IS NOT KRATOM. 7OH DOES NOT OCCUR IN THE NATURAL PLANT, AT LEAST IN TRACEABLE LEVELS. ACCORDING TO KRATOM RESEARCHERS, 7OH IS A METABOLITE OF MITRACYNINE, THE MOST PREVALENT ALKALOID IN THE KRATOM PLANT. DURING THE DRYING PROCESS A SMALL PORTION OF THE MITRACYNINE IS BELIEVED TO CONVERT TO 7OH. WHEN CONSUMING KRATOM, A PORTION OF THE MITRACYNINE MAY BE CONVERTED TO 7OH IN THE BODY. AT STEDING & SONS, WE BELIEVE THAT THE BODY HAS NATURAL DEFENSE MECHANISMS. HOWEVER DIRECTLY CONSUMING 7OH MAY MEAN OVER-RIDING THOSE DEFENSE MECHANISMS WHICH MAY POTENTIALLY LEAD TO A SIGNIFICANTLY HIGHER RISK OF ADVERSE EVENTS.

IS KRATOM SAFE? NATURAL KRATOM HAS BEEN SAFELY USED IN SOUTHEAST ASIA FOR HUNDREDS OF YEARS AND MILLIONS OF AMERICANS ARE BELIEVED IN SOUTHEAST ASIA FOR HUNDREDS OF YEARS AND MILLIONS OF AMERICANS ARE BELIEVED TO BE USING KRATOM SAFELY TODAY. ALMOST ALL LONG TERM ANECDOTAL EVIDENCE IS BASED ON THE NATURAL KRATOM PLANT. EXTRACT PRODUCTS MAY BE SIGNIFICANTLY MORE POTENT THAN THE NATURAL PLANT. AGAIN, 7OH DOES NOT OCCUR, IN TRACEABLE LEVELS, IN THE NATURAL PLANT. WE ENCOURAGE MINDFULNESS AND MODERATION IF YOU CHOOSE TO CONSUME KRATOM. NO MATTER WHAT BRAND YOU CHOOSE, PLEASE ENSURE THEY ARE AN AKA GMP QUALIFIED VENDOR: THESE VENDORS HAVE THEIR FACILITY AND PRACTICES AUDITED ANNUALLY BY AN ACCREDITED 3RD PARTY.

IS KRATOM RIGHT FOR YOU? THAT IS YOUR CHOICE! THERE ARE A FEW GROUPS OF PEOPLE WE DO NOT RECOMMEND KRATOM TO: FIRST AND FOREMOST, CHILDREN, OBVIOUSLY! YOU MUST BE A LEGAL ADULT (21 OR 18 DEPENDING ON THE STATE) TO PURCHASE KRATOM. PREGNANT/NURSING WOMEN ARE ADVISED AGAINST KRATOM USE. LASTLY, IF YOU HAVE STRUGGLED WITH SUBSTANCES IN THE PAST, AND ARE NOW LIVING COMPLETELY "CLEAN", WE STRONGLY RECOMMEND YOU DEEPLY RESEARCH KRATOM BEFORE MAKING A DECISION. WE ENCOURAGE ALL POTENTIAL CONSUMERS TO: RESEARCH, REFLECT, DECIDE.

WE ARE NOT DOCTORS. WE ARE NOT YOUR DOCTOR. WE ARE JUST A GROUP OF PEOPLE THAT LOVE KRATOM AND SEEK TO ETHICALLY SHARE SOMETHING WE BELIEVE IN. NOTHING ON THIS POSTER, ANY PACKAGE OR MARKETING MATERIAL IS INTENDED AS ADVICE; MEDICAL, LEGAL OR OTHERWISE. IF YOU HAVE A MEDICAL CONDITION, PLEASE CONTACT A LICENSED PHYSICIAN. THE FDA HAS NOT APPROVED THESE STATEMENTS. PRODUCTS ARE NOT INTENDED TO DIAGNOSE, TREAT, PREVENT OR CURE ANY DISEASE. PREGNANT AND NURSING WOMEN ARE ADVISED AGAINST USE.

Doing Our Part To

KEEP KRATOM LEGAL

and ensure fair trade practices in the kratom industry

American Kratom Association Hall of Fame Member

We are proud to contribute a significant portion of our revenue to kratom advocacy, through recurring donations to the American Kratom Association, as a "Consumer Champion" and to the research of Dr. Chris McCurdy at the University of Florida.

Beyond maintaining legality, we also advocate for fair trade in the kratom industry, ensuring farmers are paid a fair wage. In order to ensure this, adequate regulation is necessary in Indonesia and we are proud of the positive steps being taken.

We are proud to have acted as executive producer on the Leaf of Hope,) which shines a documentary, "Daun Harapan" (A spotlight on the farmers of the Kapuas Hulu region of Indonesia. Watch The Documentary At The Link Below

QUALITY

For generations, illustrated pigs, such as this, have suffered from incredible discrimination in the branding world. Often relegated to small town BBQ signs, we felt it was time to provide these pigs the opportunities presented to other illustrations. We hope the opportunity for this pig to prove it's capability with Big Mama's Guava Kava Kava will open the door for other illustrations in the near future.

Big Mama's
GUAVA
KAVA KAVA

Kava Kava is often enjoyed in Pacific

Island cultures & is becoming very popular in the US as an alternative to consuming alcohol for relaxation without the same side effects.

As kava/kratom shots become increasingly popular, there are a lot of folks just want the pure, simple relaxation of kava kava without the kratom. Big Mama's provides approximately 250mg of kavalactones per bottle. Chill.

Please consult physician before use. The FDA has not approved these statements. Products are not intended to diagnose, treat,

prevent or cure any disease. Pregnant/nursing women are advised against use. NOT FOR SALE TO MINORS.

WWW.1836KRATOM.COM

"I DON'T UNDERSTAND WHAT THE BIG DEAL IS?"

7OH

VS KRATOM

IT'S JUST AN ALKALOID IN THE KRATOM PLANT!

This is a common thought process, but is it entirely true?

NATURAL KRATOM HAS BEEN SAFELY CONSUMED IN SOUTHEAST ASIA FOR HUNDREDS OF YEARS. ALL LONG-TERM STUDIES, AND MOST RECENT US STUDIES ON THE SAFETY OF KRATOM CONSUMPTION ARE BASED ON THE NATURAL PLANT. CLEAR THE MIST, KRATOM COMPANIES HAVE CREATED STRONGER AND STRONGER EXTRACT PRODUCTS, WITH HIGH STRAINING SO FAR FROM NATURE, THAT CHALLENGE THEIR KRATOM. COMING INTO QUESTION. WHAT IS KRATOM?

FROM RECENTLY, IT HAS BECOME COMMON TO CREATE SYNTHETIC 7OH EXTRACTS, AND THEY ARE TRYING TO FLEECHE THE CHALLENGE BUT AT WHAT COST? 7OH PRODUCTS ARE CREATED USING A CHEMICAL CONVERSION PROCESS TO EXTRACT 7OH FROM THE NATURAL KRATOM. NATURAL KRATOM CONTAINS LESS THAN 10% 7OH - WITH AN AVERAGE CONTENT AROUND 10%. 7OH PRODUCTS ARE UNWARRANTED TO CONTAIN 100% 7OH. 7OH, ACCORDING TO STUDIES, IS AN APPROPRIATION FOR STRONGER THAN KRATOM SO OF COURSE IT'S FLEECHE, BUT AT WHAT COST? WE JUST DO NOT HAVE THE LONG TERM KNOWLEDGE TO PRODUCE AN ANALOG, BUT WE DO KNOW THIS - 7OH IS NOT KRATOM.

How Much Do You Know?

You owe it to yourself to know the difference between.

DOING OUR PART TO

Keep Kratom Legal

WWW.FORGOTTENNOTGONE.ORG

1836 TEAM - TEXAS STATE CAPITOL

AT THE U.S. EMBASSY - JAKARTA - 2019

TESTIMONY - TEXAS STATE CAPITOL

TESTIMONY

We are proud to contribute a significant portion of our revenue and time to kratom advocacy, including recurring donations to the American Kratom Association, acting as a Consumer Champion. We are very grateful that kratom remains legal and will continue to support efforts to ensure that it remains legal and accessible to the millions of Americans that benefit from it.

Some of the most powerful advocates are US Veterans, like Peter and Kelly Guidry, whose powerful kratom story has touched many hearts, including mine. Their motto is "Solutions Over Suffering" and their organization, Forgotten Not Gone, is on a mission to prevent veteran suicide.

We gratefully support ongoing kratom studies at the University of Florida, contributing monthly to agricultural research and the pharmacological research of Dr. Chris McCurdy and his team.

Recently, kratom was recommended for a ban, on Texas SB 1868. We are proud to have been present, testify & play our own small role in Keeping Kratom Legal. We still have a long way to go and we will stay the course.

THE GOOD DR. CHRIS MCCURDY

www.amerikankratom.org

AMERICA'S BEST KRATOM COMPANY

Steding & Sons Mercantile is proud to present 1836 Kratom. We are proud to be an American Kratom Association GMP Qualified Vendor and to lead the way in ethical and transparent kratom sales. We are committed to continuous innovation and improvement, manufacturing 100% of our products in house. Most of our team members, and many family members are, or have been kratom consumers; we demand safe products for our customers and our loved ones as well. We sell kratom because we love it and believe in it.

Every lot of our kratom is lab tested in Indonesia, before shipping to the United States, and again, by accredited 3rd party laboratories before sale! Lab results are available on our website: www.1836kratom.com/lab-tested We are proud to play an integral role in the establishment of export and manufacturing regulations in Indonesia and the USA, and excited about the normalization of kratom in the United States marketplace.

We do not and will not sell 7oh or any synthetic/semi-synthetic products. We only sell products we feel good about consuming. We understand that there has been incredible demand for these products, and while they may be helpful to some, they are also very different than natural kratom and may pose greater risk of severe dependence and adverse events. Our aim to is to serve the long-term goals of our consumers.

We LOVE kratom and are incredibly grateful for the role it has played in our lives, still, we understand that kratom may not be the right choice for everybody. We encourage all consumers and potential consumers to: Research. Reflect. Decide. We hope to provide all consumers the opportunity to make a decision in alignment with their personal value system. . We are fierce defenders of long-term kratom legality; proud to support the American Kratom Association and kratom research at the University of Florida.

The last two years have been pretty intense in the kratom world, and we consider ourselves lucky that kratom remains legal. With the insurgence of semi-synthetic and often misleading products on the marketplace, customers are seeking vendors they can trust, now more than ever! Discerning customers intentionally seek out 1836 Kratom, often using our online guide to find retailers near them. We add all stores to our online map!

Thank You So Much!
